A very warm
WELCOME

Here, at Great British Inns, we have a great passion for traditional inns serving amazing food and drink. We want you to feel comfortable and welcome where you look forward to visiting again and again.

We pride ourselves in serving home made dishes and where possible, we source all of our produce locally; outdoor-bred meat, free range chicken, sustainable fish from our fishmonger and market fresh veg.

We believe buying British is best and that by doing this, we are not only serving the best quality produce available, but we are also supporting our local farmers and national economy.

We hope you enjoy your time with us so much, that you tell your friends and come back again soon!
